(Your Love is Amazing)
Brenton Brown, Brian Doerksen

Your love is amazing                             G
Steady and unchanging                           C2
Your love is a mountain                          Dsus
Firm beneath my feet                            C2
Your love is a mystery                           G
How You gently lift me                          C2
When I am surrounded                            Dsus
Your love carries me                            C2

Hallelujah, hallelujah, hallelujah              G-Dsus-Em7
Your love makes me sing                          C2
Hallelujah, hallelujah, hallelujah              G-Dsus-Em7
Your love makes me sing                          C2

Your love is surprising                         G
I can feel it rising                             C2
All the joy that’s growing                     Dsus
Deep inside of me                               C2
Every time I see You                            G
All Your goodness shines through                C2
And I can feel this God song                    Dsus
