I'm so bored of little gods while

standing on the edge of something large, while

standing here, so close to You.

We could be consumed.

Steady four \( \frac{d}{=100} \)

What a glorious day.

1. How I give up,

2. How marvelous,

how I brilliantly,

rest my face
You shine in me.

And lift my eyes
to Your awe,

You fear God,
of all so strong?

And who can fail
to give Your sky,

of all I hide.
So____________ sweet, this____ surrender.

How great Your love for us, how great

our love for You. That grace could cover

us, how great Your love. Your love. How
Your love, love, love, love, love, love, love.

What a glorious day, what a wonderful day.
day to day.

What a glorious day.

day, what a wonderful

day to day.

Glorious day.
