*Four generations ago, our great-grandmother would welcome her customers in Yiddish:*

**"Es and Es"**

*A very maternal expression for eat and eat. Ma Edelstein’s special saying inspired the name for today’s S&S Restaurant. Over the years we’ve changed, but great food and great value are still the order of the day. The Mitchell-Wheeler family invites you to experience S&S Catering and to enjoy what’s new – and what’s old...*
