The Laboratory for Chocolate Science presents

The new reality show at MIT!
Coming to you **LIVE** from the Student Center!

**Sunday! Sunday! Sunday!**
Only in the Student Center’s PDR 1&2, 2-5pm!

You've never seen anything like it!

**Chocolate and Fruit**

**SEE** the thrilling effect of heat on chocolate!

**WATCH** as the reproductive bits of trees are mercilessly reduced to bite-sized pieces!

**EXPERIENCE** the excitement of combining these two taste sensations!

**Be there!** You know you want to. *And so do I.*
