While designing, keep in mind...

Pattern design:
How will designs work at seams?

Did you offset your shapes so that there is a seam allowance?

Pattern is sewn inside out, then flipped. Don't make parts that are too narrow for flipping.

Submit pattern file to https://tinyurl.com/200b-plushie by midnight Sunday

Illustrator:
Are you using the correct pen tool? Selection is black arrow and direct selection is the white arrow.

If you need more space, change the artboard size (shift + O)

If you use a special font, create outlines (Type > Create Outlines)

If you copy in an image, embed it

Plushie Workshop!

Part II starts April 22!
