Making a Histogram

Assignment: Watch the following video and answer the questions below.

<https://www.youtube.com/watch?v=RWP2q4wyRds>

1. Explain in your own words what is meant by a “Frequency Distribution” and how it fits into a histogram?

2. Explain in your own words what is meant by the “Interval” and how it fits into a histogram?

3. For your team’s Personal Data Project, do you understand what is the Interval and what is the Frequency Distribution?

4. After watching this video, do you have questions about how to go about creating a histogram for your team’s Personal Data Project?
