

## **Easy recipe for Making Play Dough**

### **What You Need:**

- 1 c flour, sifted
- Different colored Kool-Aid can be used to represent the different colored atoms.

### **Directions:**

1. Mix together flour, salt, oil, and Kool-aid.
2. Add the cup of boiling water. Mix well.
3. Knead the mixture until it forms a soft dough.
4. Have fun!
5. Store in a sealed container in the refrigerator.

### **Tips:**

1. Any other unsweetened, powdered drink mix may be substituted.
2. Expect colored hands :-)
3. Non-toxic... could be eaten, but won't taste very good.
