

MIT WOMEN'S CLUB ICE HOCKEY

2011-2012 SEASON NEWSLETTER

SEASON HIGHLIGHTS:

We kicked off our season in September with dryland training that gave us a head start on skills and training, as well as on working together as a team. The ice went up in mid-October and we were fortunate to have practice five days a week and are fortunate to have a wide range of ice times to accommodate the busy schedules of all our players.

This year has been one of our best, with a record of 10-3-1. Our two goalies - Quinn McGough ('15) and Andrea Dubin (G) - shared the netminding duties this season. Our leading scorer was Ariana Eisenstein ('15) with 22 points, followed by Elaine Chin (Alum), Kiley Clapper (Staff), Clarion Hess ('12), Rebecca Romatoski (G), and Amanda Webb (G), all in double digits.

We have over 40 players on our roster this season with varying levels of experience, encompassing students, alumnae, staff, and spouses. We welcomed 15 new recruits this year, including returning varsity players: Rachel Longley ('08), Rebecca Romatoski ('06), and Cristina Stefanescu ('08).

This year's graduating players are Anne Aubry, Taylor Barton, Erica Gralla, Clarion Hess, Amanda Webb (captain), and Sarah Zhang. Good luck to all of you, and also to Genevieve Flanders, who will be starting physician's assistant school in May. As with all of our alums, please feel free to drop in on our practices when you are in town, and if you stay in the area, come back to play on the team!

COACHES' CORNER:

Reggie Hebert - Reggie has been our head coach since 1999. His coaching expertise and dedication to our club have helped us develop as individuals and as a team for over a decade. He is currently the On-Ice Director for Pro Ambitions Hockey and runs hockey camps all over the United States and Canada. Hockey is a family affair for Reggie - his father played semipro hockey and his oldest son currently plays junior hockey.

Marcel Bogosian - Marcel has been our dedicated assistant coach for six years. Working mainly with our defense, he has been an integral part of our players' development. With more than forty years of hockey experience, Marcel has much to offer each player on the team.

Jon Comeau - Jon joined our coaching staff in the fall of 2010 and has been instrumental in developing players who are new to hockey. He was a member of the record setting 1990-91 Suffolk team, who are now in the Suffolk University Athletics Hall of Fame. Jon is no stranger to coaching - he is the son of a semipro hockey player who then went on to a 30 year coaching career.

THANKS:

We'd like to sincerely thank our coaches, as well as our captains - Amy Adams (G), Elaine Chin (Alum), and Amanda Webb (G) - all of whom worked hard both on and off the ice. They were ably assisted by Anne Aubry (recruiting), Jane Chui (webmaster), Cristi Wilcox DiGenova (social), Erica Gralla (fundraising), and Carly Inkpen (scheduling).

We also appreciate the generous donations that we receive each year. These funds make it possible for us to have a stellar coaching staff that make us a competitive team, and also outfit beginners as they are introduced to the great sport of hockey. We would also like to thank our dedicated fans, who showed their support at home and away. Finally, thanks to DAPER and all the ice maintenance staff.
