 - Sarah A: when are we talking about paying RACs? Today?
 - Sarah E: maybe today, pretty full agenda
- Any prez who can't regularly make the 7:30p thur time?
 - Seems good, let her know if there are issues
 - What it'd normally be if we were on campus
- Putting together a group to talk about improving the displacement process, will send out a when2meet for whoever wants to be involved. Specifically ec/bc would be great. Less formal invite to committees than normal.

 - One vote per
 - Vote passes - welcome new vassar!
- New vassar mailing list nv-sp21@mit.edu
- Covid hack idea for dorm olympics: presented by Ellie, Ashley, Yunbeen (hacking unicorns)
 - Hope to continue after covid era as well
 - Miss spontaneous social interaction of non-covid era
 - Want to have physical, engaging activity as pods & dorm. Building community
 - Four main components: outdoor, virtual, spectating, points
 - Outdoor: social distanced, abide by all guidelines. Field day like events (jump rope, tug of war, 3 legged race, etc.)
 - Virtual: not all MIT students on campus/in pods/comfy with events. Model like qweek challenge. 100% safe & remote, can be done in room
 - Spectating: view competition as it's happening or participate as spectator. Grand finale for outdoor events, livestream to ppl who aren't present
 - Points: dorms their own team, pods are subteams. Announce winning dorm & pods at the end
 - Currently collecting interest & forming a team. Hope to kick off in Mar with scavenger event off campus
 - Hope to do events during 3 day weekends, when warm
 - May announce final winner
 - Interested dorm would run event for the dorm olympics
 - Choose an event & day to run, have list to choose from
 - Create event proposal & blurb. Advertise in dorms to encourage participation. Coordinate with the team for logistics. Optional: have prizes for top pods in the event

- Dorms distribute scheduling sign up, make sure not too many pods in the same place. Get interested people to sign up for mailing list on events
- Want dormcons help making templates, getting info out
- Hope to make website to see events & ranking
- Is anyone running for cpw chair elections?
 - Nomination for zawad (declined)
 - Nomination for ellie (declined)
 - Nomination for shayna (declined)
 - Nomination for Wayne - accepted
 - Nomination for Denzel - accepted
 - Wayne rescinds
 - What does cpw/rex chair do?
 - You're a member of exec, come to these weekly meetings & give opinion. Organize individual dorm cpw & rex chairs, work with admin. Don't have to do any groundwork event organizing, but help dorms coordinate & get the word out.
 - Denzel speech: cpw why he came to MIT! Events were super fun, people/dorms very welcoming. Seems like a cool position. Get admin to listen to student voices
 - Denzel is elected!
- Gyms in dorms
 - Swapnil: current gym rules is one person only. 2 or a pod?
