

MIT elevator outages

Weekly update: January 17 - January 24, 2025

This list of elevator outages will be issued on a weekly basis. For each activity, we will note anticipated duration if known, and alternate access points. There may be occasions when these closures will cause inconvenience to your research, teaching, studies, or work. Our goal is to provide you with timely information to help you plan and manage your daily activities during these unexpected outages.

Known outages

Please note that this list is subject to change due to conditions identified and material delivery.

Elevator location (Building number)	Expected duration	Alternate elevator locations
7	Late January	Building 10
14 (lift)	Late January	Building 14
32	Late January	Building 32
56 (freight)	Late January	Building 56
E53	Late February	Building E53
E15	Mid February	Building E15
E37	Late January	Building E37
E53	Late January	Building E53
W71	Late January	Building W71

Additional elevator renewal projects are currently in construction, design, and planning. Projects scheduled to commence in the next year include the Lobby 7 elevator.

Accessibility on Campus

View the [interactive accessibility map](#) to find entrances on campus with ramps, power doors, and other amenities that help to get around campus with ease.
