

MIT Campus Map

Welcome to MIT

All MIT buildings are designated by numbers. Under this numbering system, a single room number serves to completely identify any location on the campus. In a typical room number, such as 7-121, the figure(s) preceding the hyphen gives the building number, the first number following the hyphen, the floor, and the last two numbers, the room.

Please refer to the building index on the reverse side of this map, if the room number is unknown.

As parking is limited and regulations are aggressively enforced, visitors are strongly encouraged to use public transportation.

By public transportation, MBTA (“The T”) [ⓘ]

A parking garage at Alewife Station (Routes 2 and 16 at the Cambridge/Belmont/Arlington line) allows access to the Red Line subway. Take the Red Line from Alewife Station in Cambridge or from Park Street Station in Boston to Kendall/MIT Station or to the Central Square Station, both of which are within walking distance of MIT. There is regular MBTA bus (#1) service along Massachusetts Avenue from MIT to Boston and Harvard Square.

From Logan Airport by MBTA [ⓘ]

Taxi fare is about \$20–\$30. To travel by subway, at Logan Airport take the airport shuttle bus that runs to the Blue Line Subway Station. Take the Blue Line to the Government Center Station and go upstairs to board the Green Line Trolley to Park Street. At Park Street Station go downstairs to board the Red Line Subway going outbound towards Alewife and exit at Kendall/MIT or Central Square Station.

By car from Logan Airport

Leaving the airport follow the signs to the Summer Tunnel. Entering the tunnel keep in the right lane for Storrow Drive North. Continue in the right lane following the Storrow Drive West signs. Exiting the tunnel you will see the Massachusetts Eye and Ear Infirmary on your left and the Charles River on your right. Keep to the right and continue to follow the Storrow Drive West signs. After passing under the Arthur Fiedler pedestrian walk bridge, change to the left lane and take exit for Massachusetts Avenue/Cambridge (2AN). Bear right and cross the Harvard Bridge. MIT's main entrance at 77 Massachusetts Avenue will be on your right, at the third set of traffic lights.

By car from Route I-93 or Southeast Expressway

Take exit 26. Keeping in the right lane, follow the Storrow Drive West signs. After passing under the Arthur Fiedler pedestrian walk bridge, change to the left lane and take exit for Massachusetts Avenue/Cambridge (2AN). Bear right and cross the Harvard Bridge. MIT's main entrance at 77 Massachusetts Avenue will be on your right, at the third set of traffic lights.

By car from Route I-90

Take the Cambridge/Allston Exit (18) on the left off of the Massachusetts Turnpike (Interstate 90). Bear right at the end of the ramp and go through two sets of traffic lights. Follow the signs to Cambridge. Cross the River Street Bridge and continue straight ahead for about one mile to Central Square. Turn right onto Massachusetts Avenue. MIT's main entrance, 77 Massachusetts Avenue, is about one-half mile down on the left.

By car from Route I-95 low the I-93 directions to MIT as given. From the south take I-90 off of I-95 and follow the I-90 directions to MIT as given.
