See page 192 for the answers to this puzzle.

MEMBER SPOTLIGHT

AARP Connecticut announced the appointment of **John Wilson** as its new volunteer state president. Wilson, a volunteer with AARP Connecticut since 2021, brings more than 50 years of professional and volunteer experience to the organization, including over 25 years with engineering and consulting companies and 20 years in information technology training.

During his 25-year tenure with engineering and consulting companies, Wilson developed and managed a variety of employee teams committed to delivering projects within a defined scope, schedule, and budget. He served as a senior program manager responsible for air quality services teams, project manager for domestic and international projects, and an expert witness for regulatory hearings.

Wilson has served in various capacities with multiple organizations including AMS, the National Council of Industrial Meteorologists, and the Air and Waste Management Association. He graduated with a B.S. from the University of Michigan and holds an M.B.A from Northeastern University. ●

Answers to the puzzle on page 190.

IN MEMORIAM

ALF MODAHL 1930–2023
