

## Harvard-MIT Math Tournament

### **8:00am - 8:50am Team Registration (10-250<sup>1</sup>)**

School registration packets will be distributed. If your school has students wishing to form composite teams with students from other schools, you should arrive no later than 8:20am.

### **9:00am - 9:50am Algebra Written Event (3-270 and 2-190)**

### **9:00am - 9:50am Advanced Topics Written Event (3-370 and 1-190)**

### **10:00am - 10:50am Geometry Written Event (3-270 and 2-190)**

### **10:00am - 10:50am Calculus Written Event (3-370 and 1-190)**

### **11:00am - 12:20pm Lunch**

There is a food court at the Student Center, as well as a cafeteria and a small grocery store.

### **12:30pm - 1:20pm Team Event (assigned rooms)**

### **1:30pm - 3:20pm Oral Event (assigned rooms, assigned times)**

The Oral Event will take each team approximately one hour. Remember to be at your Oral room 5 minutes before the starting time on your ticket. The Oral round WILL start on time, whether you are there or not. Teams may participate in the Guts Event before and after their assigned Oral Event times.

### **1:30pm - 3:20pm Guts Event (10-250)**

### **3:30pm - 4:00pm Guest Speaker (10-250)**

Professor Glenn Stevens of Boston University is the director of PROMYS (Program in Mathematics for Young Scientists), a six-week summer program for high school math students.

### **4:00pm - 5:00pm Awards Ceremony (10-250)**

---

<sup>1</sup>10-250 is on the second floor of building 10. Contest representatives will be stationed in the room throughout the day. Coaches and students may leave their belongings in 10-250 at their own risk.
